

My Place Adolescent Community Integration Group

My Place is an after school community integration program designed for adolescent clients' ages 13 through 18 years experiencing issues in adolescent developmental areas such as increased independence in community access and social integration. The purpose of **My Place** is to provide life skills and social skills training to adolescent clients and their families in support of their transition to adulthood.

My Place Program topics may include:

My Place is:
2 hours of fun activities aimed at promoting community integration skills, including...

- Social interaction
- Community mobility, safety and accessibility
- Personal care/hygiene
- Self esteem
- Exploring leisure activities and personal interests
- Community participation

- Understanding interests
- Exploring and accessing appropriate leisure activities
- Parent/caregiver information and discussion
- Safety awareness in the community
- Promoting a healthy lifestyle
- Accessing community locations
- Developing adolescent social skills
- Volunteerism

My Place benefits children who:

- are able to communicate their needs and wants
- demonstrate an interest or desire to interact, participate, and communicate with peers
- are limited in their independence in community and leisure activities
- are able to participate independently in small groups
- enjoy participating in community activities
