PHOTOS

We ask that you be respectful of the Camp Escapades photo/video policy. Many of our campers are not cleared for photo/video consent and as such may not have their photo taken for any reason. As such, we ask that you do not bring a camera or video recorder onsite unless cleared to do so in advance by a member of the Camp Escapades Coordinating Team (310-328-0693 ext 349). If you have been cleared to bring a camera onsite, alert the Camp Coordinating Team of your arrival when you check in at the camp office for photo guidelines. Please realize that even if you have been given permission to be onsite with a camera/video recorder, many of our campers are not allowed to be included in pictures.
